WA Sanduuqa Gargaarka Sinaanta ee Bilaa Macaashka ah

Sanduuqa WA Equity Relief Fund wuxuu siinayaa maalgelin hay'adaha samafalka ah oo ay hogaamiyaan una adeegaan bulshada BIPOC (Madow, Asal ahaan, Dadka Midabka) iyo bulshooyinka ugu badan ee uu saameynta ku yeeshay aafada adduunka. Lacagta gargaarka ayaa bixin doonta taageero dabacsan, guud ahaan hawlgalka hay'adahaas muhiimka ah. Codsadeyaasha u qalma waa inay ahaadaan 501 (c) 3 aan macaash doon ahayn ama urur ku saleysan bulshada oo ay dhaqaale ahaan kafaalo qaadaan 501 (c) 3 aan faa'iido doon ahayn.

Waaxda Ganacsiga ee Washington waxay iskaashi la leedahay Philanthropy Northwest si ay u maamusho $2 milyan oo maaliyad gargaar ah oo laga helo caawimada federaalka ee Coronavirus Aid, Relief iyo Economic Security (CARES) iyada oo loo marayo codsi furan oo ku saabsan ururada aan macaash doonka ahayn ee ku saleysan bulshada, iyo ururada qabaa'ilka ah ee saamaynta ugu badan uu COVID-19 kug sameeyay.

Cudurka faafa ee COVID-19 wuxuu horseeday saameyn aan horay loo arag oo ku saabsan ururada aan macaash doonka ahayn oo ay ku jiraan baahida loo qabo kororka ama carqaladeynta / abuurka adeegyada; baajinta qandaraasyada, barnaamijyada, adeegyada ama khasaarooyinka kale ee maalgalinta sida lacag ururinta la joojiyay, tabarucaadka oo yaraaday iyo / ama arrimaha kale ee saameeya shaqaalaha iyo awoodda tabarucaadka. Waan ognahay saameyntan inay si aan kala sooc lahayn u la kulmeen ururada ay hogaaminayaan una adeegayaan Madowga, Aasiyaanka, (gaar ahaan Koonfur Bari Aasiya), Dhaladka Hawaii iyo Jasiiradaha Baasifigga, Latinx iyo bulshooyinka aan sharciga lahayn. Saameyntan waxaa sidoo kale lagu muujiyey dadka dhaqaale ahaan u nugul ee ku nool miyiga, bulshooyinka fog iyo kuwa qabaa'ilka ah.
